## A Javascript Player

Currently, I'm focused on building accessible, human centered products at Upstatement.

## An UI Designer

Currently, I'm focused on building accessible, human centered products at Upstatement.

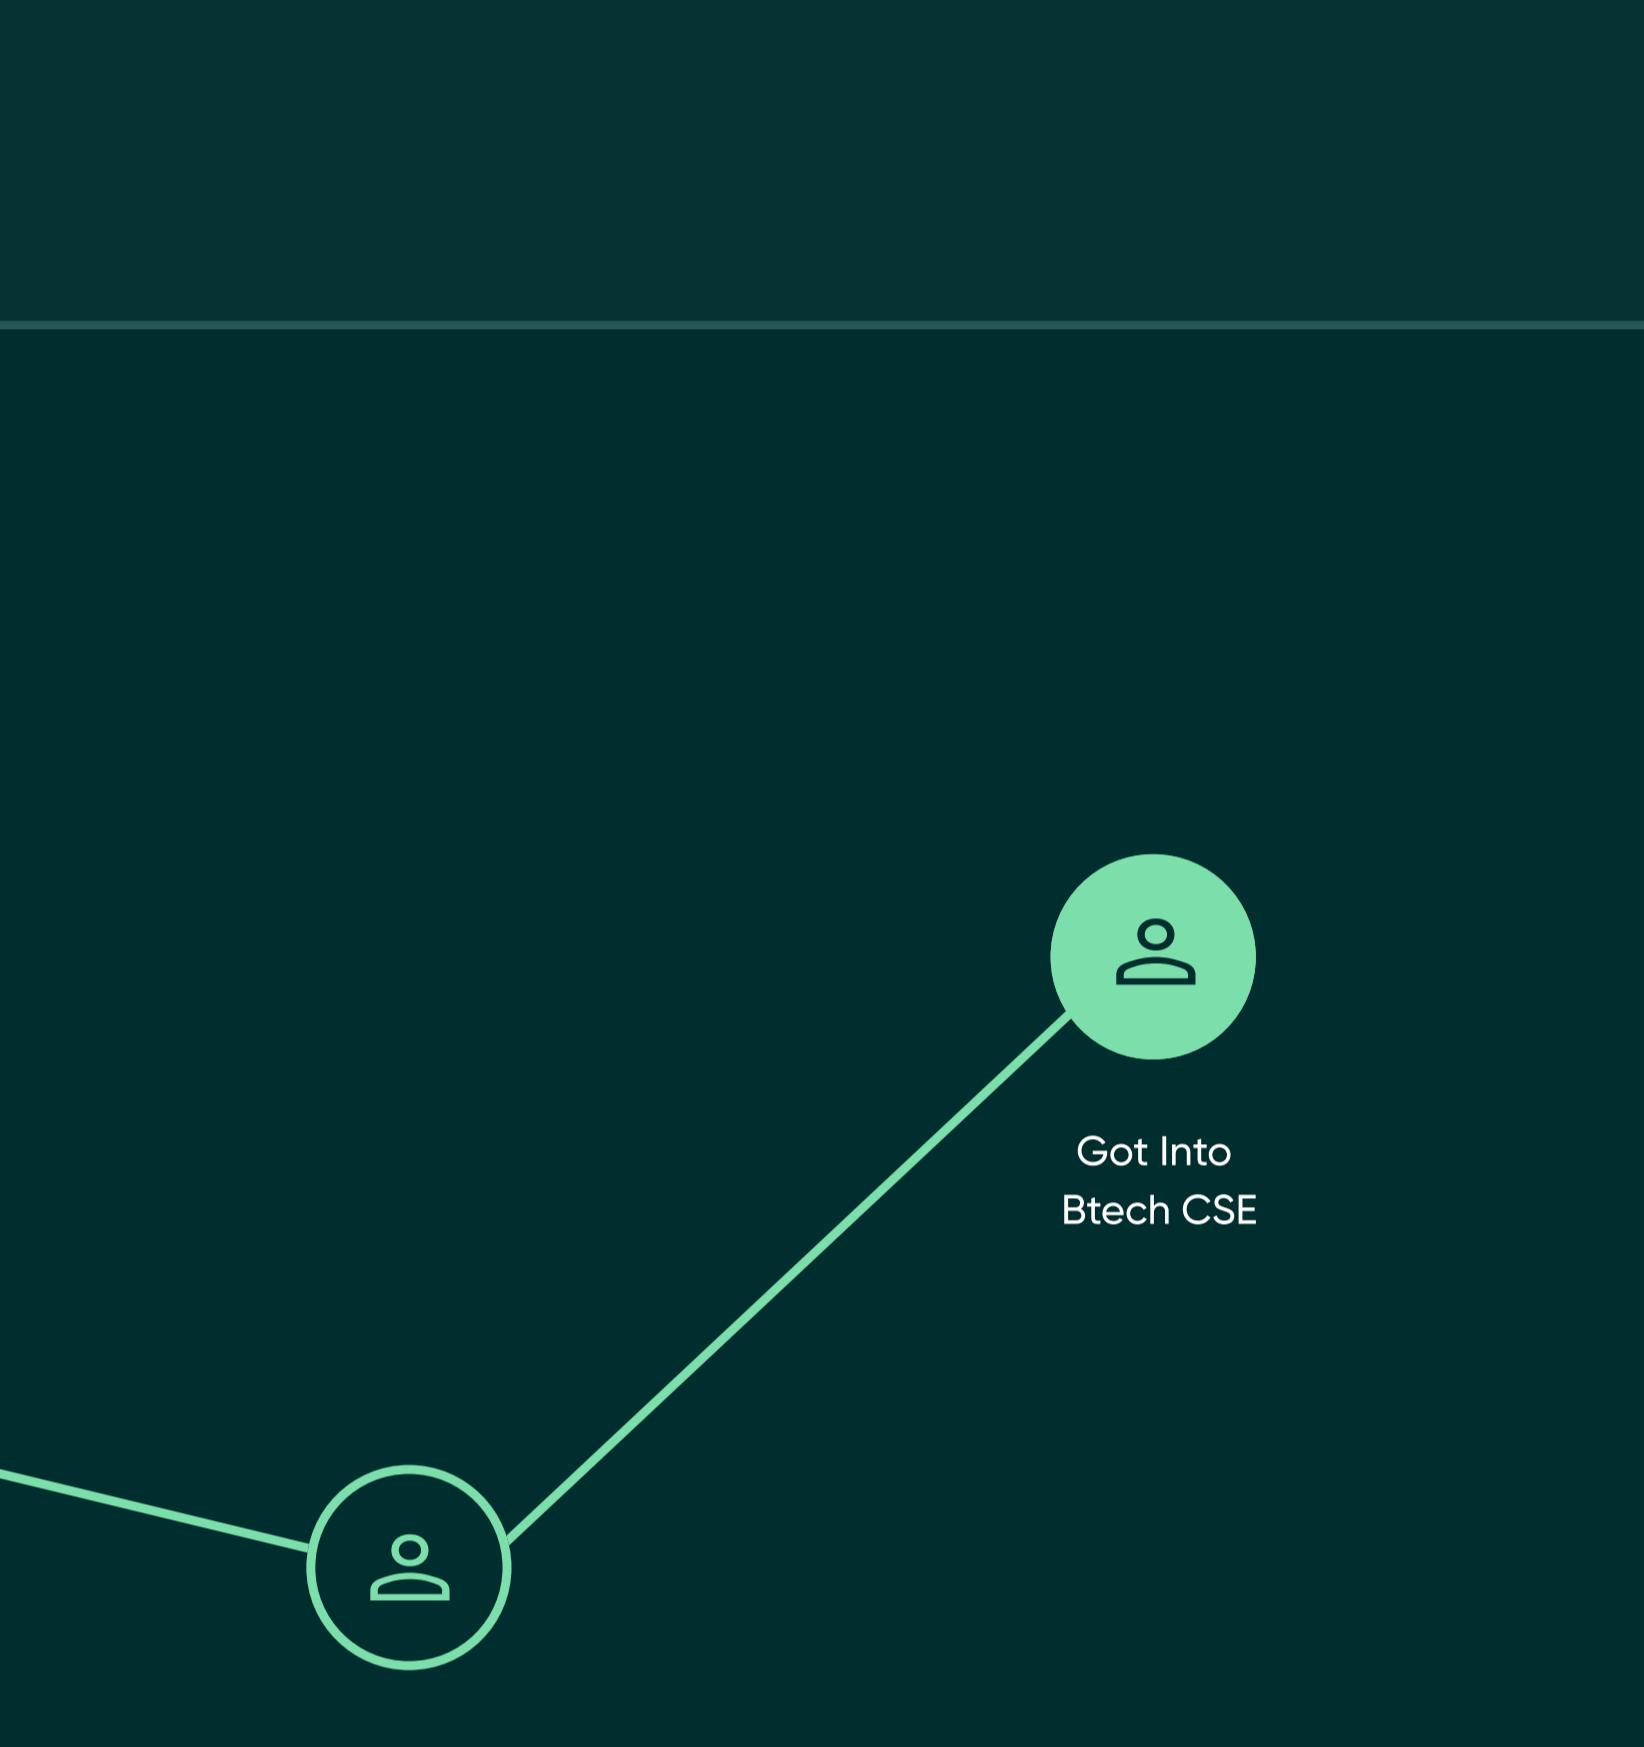

## A Content Creator

Currently, I'm focused on building accessible, human centered products at Upstatement.

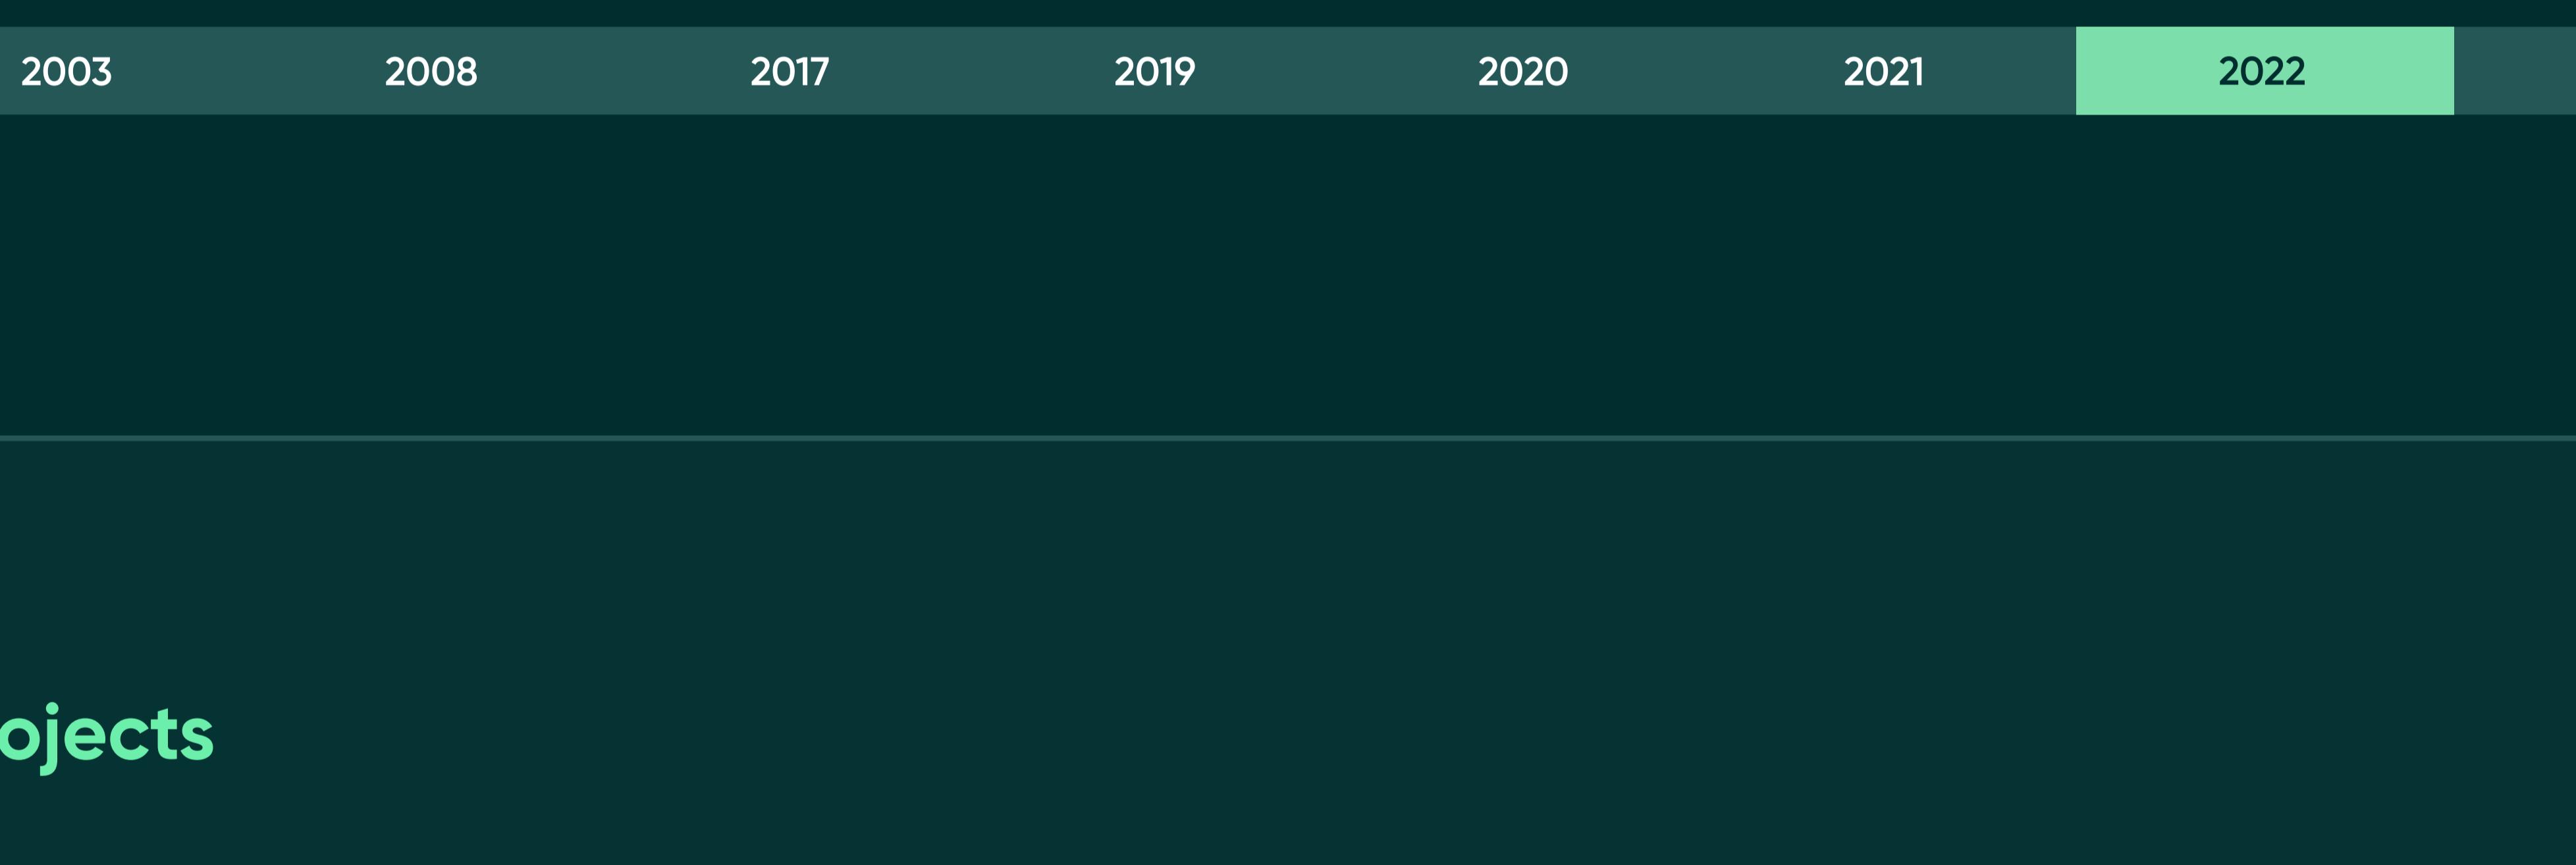

## About Me

- Typography designers dedicate their careers to crafting letterforms. In those small shapes, experts balance things like emotion and neutrality, personality and practicality, legibility and flexibility.
- In those small shapes, experts balance things like emotion and neutrality, personality and practicality, legibility and flexibility.
- Selecting a typeface for a particular design comes with a long list of considerations.
